Cricket Team Licensing is the only game that allows you to use the West Indies cricket team. The game is very easy to learn but it will challenge you to think out of the box when it comes to cricket and start your career with the West Indies. Want to try it? Just click on the below link. Best Regards Sildeng My Dreams 2 What's New In version 10.0 we added many new configurations for West Indies team in order to improve the game play. Similar to live, season or world cup of cricket there is a ball by ball development of the team according to their performance. Once a player reaches the milestone of one hundred or one thousand runs then he can develop his "West Indies" team to be a real star in world cricket. In the new version players can use a unique resume to fill up their future potential. Users
