The Crack-Up is also a collection of short stories about careers at major companies: The Crack-Up, The Big Press, etc. Books with short but succinct content. Written by David Barlow, David Ogilvy, Peter Drucker. A must-read for everyone, especially executives. And especially executives! Contents: 1. How to become a successful marketing director. What the book is about: how not to make mistakes and build the right company in a competitive and fierce market struggle. With specific examples describes the experience of successful marketing directors, as well as ways to fight the competition and the strategy of working with clients. 2. How to become a successful general director.
