Demo Team 001 | Adm or Repack of Assassin's Creed III on PlayStation.Posted in Hello everyone! I have not posted in a while because I have been working on some exciting new projects and I haven't had much time to write or post on my channel. So I'm bringing back my monthly Project Update. I hope everyone enjoys them! September Project Update: After I posted the last one, I did some thinking and decided to make a few changes to my monthly project update to help keep the community more informed. First off, I will be adding a Team Stream every month on the first Tuesday. I have a team that I've been working with over the past few months that I want to share a stream with everyone. Their streams focus on organizing, MOBAs, and Japanese culture. I've been posting many times throughout the year but here is an overview of what they have been working on in the past few months. If you like what you see, let them know via their Stream. Second, I 595f342e71
